

Are You Working with Your Patients via Telehealth?

You may be a telehealth novice or a virtual care pro – either way we’ve got you covered.

We’ve gathered resources from key diabetes experts and organizations to address some telehealth needs you and your patients may have.

Needing additional support tools? Email info@lifescandiabetesinstitute.com and let us know what you’re looking for.

Optimizing Virtual Visits

A Patient Case Using Remote Monitoring

[Eating Catfish and Birthday Cake](#)

This video demonstrates patient and provider interaction using a digital tool
