

Advanced Diabetes Care: Skills Workshop

August 16, 2019 | 8:00am - 4:30pm

Crowne Plaza Cleveland South-Independence
5300 Rockside Road
Independence, OH 44131
Independence Meeting Room

This one day diabetes professional education experiential learning workshop utilizes a unique, hands on curriculum delivered in a participant-centered learning environment. Content is tailored towards physicians, nurse practitioners, and physician assistants working with insulin-requiring patients with diabetes. We are pleased to bring this workshop to Ohio.

OUR WORKSHOP EXPERIENCE INCLUDES:

- Simulation of life with diabetes
- Latest diabetes standards of care
- Interactive patient cases and problem solving
- Initiation and intensification of antihyperglycemic medications
- Meaningful monitoring and pattern management
- Behavioral strategies
- Effective use of patient-generated data & technology

WORKSHOP FACULTY:

- Susan Williams, MS, RD, MD, FACN, FACP, FACE
- Robert Zimmerman, MD, FACE
- Jerry Meece, BPharm, FACA, FAADE, CDE
- Mary de Groot, PhD
